

List with hospitals contributing with data to the SITS Registry between
December 25, 2002 and December 31, 2022.

THANK YOU

Many thanks to all the hospitals, coordinators, and collaborators who help to improve stroke research and care, one patient at a time. Thanks also to all the users who collect and enter the data in the registry.

APPENDIX

List with hospitals contributing with data to the SITS Registry between December 25, 2002 and December 31, 2022.
